

Carolina Alpaca Breeders & Owners

www.carolinaalpaca farms.org

Dear Friend,

Thank you for donating to the 2018 CABO Silent Auction. The Auction will be held during the 2018 Southern Alpaca Celebration show occurring the weekend of February 16-18 at the Cabarrus Arena in Concord, NC. This will be our 12th annual show, an event that is recognized as one of the leading competitive alpaca shows in the Southeast. Your donation could be tax deductible and this letter will serve as your record of your donation.

In the past twelve years, we have successfully donated over \$3,500 to the Southeast Llama (& Alpaca) Rescue Association, close to \$30,000 to the Alpaca Research Foundation and more than \$2,000 to the Quechua Benefit. This year we are proud to support a more local benefit by donating one hundred percent of all auction proceeds to the North Carolina Veterinary Medical Foundation. Donated funds will be used by veterinary students interested in camelid medicine. We are very excited this year to offer this benefit to our future veterinarians.

Thank you for your kind and generous donation to the Carolina Alpaca Breeders & Owners (CABO) 2018 Silent Auction!
